**MANAGER'S
REPORT:**

The plant was in total compliance during the month of July 2016. The pouch snails reported at the meeting in June have been brought under control with the use of Chlorine tablets.

The old aeration basins continue to be cleared of sludge and debris by O&M personnel. Five of the six tanks have been completed.

A grinder at Beaver Run pumping station has been removed for repair as budgeted.

The Safety Committee continues to meet on a monthly basis.

Duryea reported that during the month of June, 160 customers utilized the on-line payment system.

Painting has begun on the buildings and is expected to be completed by the end of August.

The application for the NPDES Permit renewal was submitted on August 2.

The Automatic Gate is expected to be fully operational soon.

New LED lights have been received and will replace the old lights on building exteriors when painting is complete.

KLH is working on an assessment of the Pumping Stations.

The Fiscal year 2015/16 Audit will begin on August 25th.

The PMAA Conference will be held in Pittsburgh on August 28 – 31. KLH has invited those attending to a dinner on August 28th. Janney Investments has invited attendees to dinner on Monday evening as well.

Duryea reported that there is to be an article in the Valley News Dispatch regarding the plant project completion. Also, there was a recent article in the Authority magazine regarding Kiski Authority.

A request was made by Duryea to purchase a new service truck since the one currently being used is more than 15 years old and has over 100,000 miles on it. A quote was received from Tri-Star for the following:

Truck & Body	\$84,316.00
Undercoating	800.00
Power Equipment	920.00
Truck Steps	425.00
Spare Tire & Wheel	<u>395.00</u>
TOTAL	\$86,856.00

A motion was made by Pinto and seconded by Spillers to authorize the purchase contingent upon the review of the policy of the DCED by the Solicitor. Motion carried.

ENGINEER'S REPORT:

Bauer provided a cost for post construction monitoring. Luisi motioned to approve KLH develop and submit a plan at a cost of \$12,000. Polczynski seconded. Motion carried.

Kotvas motioned to approve the preparation of the Bid documents for the post construction plan at a cost of \$16,900. Luisi seconded. Motion carried.

Wilson motioned to approve KLH updating the hydraulic model with post construction data, determine the percentage of capture rate and reallocation of flows/costs to the thirteen communities. And to submit all the necessary information to the DEP at a cost of \$65,000. Pascal seconded. Motion carried.

Polczynski motioned with Kotvas making a second to approve Project Change Order #18 with regard to weather related delays. An increased amount of \$113,408.81. Motion carried.

Bauer reported that the plaque for the upgrade project has been ordered. It was referred to the Engineering Committee to decide where it should be placed.

SOLICITOR'S REPORT:

Loperfito reported that his report will take place in the Executive Session.

UNFINISHED BUSINESS:

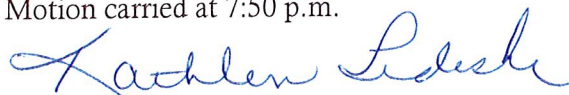

Updates were given on the ongoing projects in the various communities.

Polczynski motioned to move forward with the Open House. Pacchioni seconded. Motion carried.

NEW BUSINESS:

None

A Motion by Riedel and a second from Polczynski to adjourn into Executive Session. Motion carried at 7:50 p.m.

Kathleen Tedeski, Secretary
